

## One Liner

An aim in life is the only target to aim at.

# WHAT MURRIE FORESEES

"RED" MURRIE  
ANTIOCH TOWNSHIP SUPERVISOR

According to "Red" Murrie, our Antioch Township Supervisor and Member of the Lake County Board of Supervisors, the recent reapportionment of the five County of Lake County districts and the basic change in the method by which the members of the County Board of Supervisors are elected could have a great effect on the people of Antioch Township.

At the present time when we elect our Township Supervisor that person automatically becomes a member of the Board of Supervisors and so our township has a voice and a vote on the board. Under the new law of One Man-One Vote, which caused reapportionment of the county districts, the fact that we elect a township Supervisor does not give us a member from this township on the board.

From now on the Lake County Board of Supervisors will be elected separately. The district that Antioch Township is in is made up of Antioch, Lake Villa, Avon, Grant, Wauconda and Fremont.

From these six townships 5 members to the Board of Supervisors will be elected. Of all the candidates running the 5 with the highest number of votes will be on the County Board.

What this means to us in Antioch Township is that we could possibly not have representation on the County Board. This board, among other things, controls building and zoning within the various townships which, if we did not have a representative on the board who had an interest in Antioch, we could, for the most part, be left out.

Under the new organization the County Board and the Township Supervisor are separate elected posts. If a person who is elected as Township Supervisor also wants to be on the Board of Supervisors he must run again for that post.

This is where we of Antioch could lose out. Of the five districts that we are in now, Fremont and Avon Townships are the largest, and since the five elected members of the County Board are selected from the five highest numbers of votes, if the people of Antioch Township do not get out and vote when the time comes there is a good possibility we will not have a voice on our County Board.

Another possibility also exists—that this is simply one more step along the long road of loss of local control. Many well informed persons suspect that this is simply the first step toward eliminating the post of Township Supervisor in much the same manner as the posts of township tax collector and the Justice of the Peace were eliminated.

## Grade school settles Teachers accept terms

Last week the Antioch Grade School Teachers Association and the Board of Education came to an agreement on the 1971-72 contract.

The teachers accepted the board's proposal by an overwhelming 7 to 1 vote. According to Mr. Henry Meyer, Superintendent of the Grade School, the one-sided vote in favor of the proposal came as somewhat of a surprise, even though the negotiation had been conducted in the very best atmosphere.

The Grade School Teacher's Association and the Board began to work on the 1971-72 contract just after the first of the year. The first items of some minor working conditions, sick leave, insurance programs, etc. were quickly agreed upon.

The question of a base salary posed a problem and it was not until this point that a difference arose between the board and teaching staff. According to Mr. Meyer even the question of salary was not a big difference and good communication between the Board and teachers still existed in an atmosphere of cooperation.

The question of salary centered around a proposal by the teachers for an \$8,000 base salary and the Board's salary proposal of \$7,700. When the Teachers Association committee took this first Board proposal back to the

teachers as a body it was rejected by a narrow margin.

At this point the Board and Teachers Committee felt that further discussion on the subject by the Teacher's committee and Board would be to no avail. So a joint communication from the Board and Teachers committee was sent to the teachers as a body.

Within the letter received by the teachers was the Board's proposal and a ballot from the Teacher's committee for rejection or acceptance. This was to be returned by June 30th. If the Teachers rejected the Board proposal they would have been at an impasse and the Federal Mediation Service would have been called upon. As it turned out, the Teachers accepted the Board's proposal.

For the contract year of 1971-72 the teachers with one year's experience will receive a basic 6.1% increase and the more experienced teachers a basic 4% increase in salary.

Superintendent Meyer's position in the negotiation was one of neutrality. He made available to both teachers and Board alike all the information he had that would be of help in the negotiation.

Superintendent Meyer also felt the negotiation had been conducted at a very high level throughout. Although a basic difference arose it was settled without bitterness and with complete understanding by both parties.

## Scene of Tragic Fire

Funeral services were held Friday, July 2, for Heather Osborne, the 15-month old daughter of Mr. and Mrs. Gary Osborne. Heather died in a tragic home fire on Tuesday, June 29.

Heroic efforts by a baby sitter and the sitter's father were frustrated by the rapid spread of flames and smoke apparently caused by the explosion of an air conditioner off the child's room.

Smoke and flames were so heavy that it was some 20 minutes after the arrival of the Antioch Fire Department before firemen could reach the child's room.

Chief Deputy Coroner James Olsen pronounced her dead.

According to Fire Chief Charles Mapletorpe fire, smoke and water damage to the home on Lake Ave. in Grass Lake was extensive.

Heather is survived by her parents, her maternal grandparents, Mr. and Mrs. Andrew Wodziak of Chicago, and her paternal grandparents, Mr. and Mrs. James Burton, also of Chicago.

Services were held at Strang's Funeral Home in Antioch with burial at Millburn.

## NOTICE BOARD MEETING CHANGED

The regular board meeting of the Grass Lake School, normally held on the second Tuesday of every month at 8 p.m. has been changed for the month of July. The regular board meeting for July will be held Monday, July 12, 1971 at 7 p.m. at the Grass Lake School.

## CENSUS BUREAU TAKES POLL

Questions on consumer buying and home improvement expectations will be asked by representatives of the Bureau of the Census in this area during the period June 28 - July 9, according to Curtis T. Hill, Director of the Bureau's regional office in Chicago.

The questions are asked four times yearly as a part of a nationwide effort to collect information as a guide to governmental agencies in developing programs based on consumer spending patterns. A sample of residents in this area will be asked if they expect to buy a house, car, or major household appliances during the next year and if they have made recent purchases of these items. Homeowners will be asked about home improvements and repairs made during the last three months and any planned for the future.

In the first quarter of 1971, the survey results indicated that consumer spending plans were somewhat greater than in the fourth quarter of 1970, and among households in the lower income brackets there was optimism about income increases.

Information supplied by individuals participating in the survey is kept confidential by law and will be published only in the form of statistical totals.

## A.F.S. Comedy Fest

Remember these attractive, friendly faces? They are Antioch High School's five foreign exchange students, to date, sponsored by the Antioch Chapter of the American Field Service. This year A.F.S. is celebrating its Silver Anniversary. For 25 years the American Field Service has dedicated its time and energies to giving scholarships to students from 59 participating countries. Through these scholarships, thousands of young people have been given the opportunity to exchange cultures, ideas and lasting friendships in the United States and foreign countries. The Antioch A.F.S. is having a FESTIVAL OF COMEDY this summer to raise the scholarship money for its sixth foreign student. Hopefully, enough money will be raised to send an Antioch student abroad too! The U.S. student and foreign student must be exchanged the same year.

A.F.S. FESTIVAL OF COMEDY will be a three-time winner for the whole family. Three hilarious, extravaganza film funnies, plus extras will be shown in the Antioch High School auditorium at 8 p.m. in July and August. On Wednesday July 14, "The Great Race", plus a cartoon will tickle the funnybone of all ages. On Wednesday July 28, "Comedy Shorts", featuring Charlie Chaplin, W.C.

Fields, Abbott and Costello, Laurel and Hardy and Mae West will give both young and old a chance to take a nostalgic trip to "Funsville" with some of the greats in comedy. August 11 will bring the notoriously funny "Lavender Hill Mob", plus 3 cartoons to extract a dozen belly laughs from Junior to Grandma.

It's an A.F.S. FESTIVAL OF COMEDY (rated G) for the sum of \$1.00 per night! Tickets may be purchased from Jean Irving at the First National Bank of Antioch, Pres Reckers at the State Bank of Antioch, from the Lake Villa Trust and Savings Bank and from A.F.S. members, or at the door, if you care to take a chance. Also, don't be surprised at some bell ringers and telephone dialers promoting their pet project these summer days—The A.F.S. FESTIVAL OF COMEDY on July 14, 28 and August 11!

## EDITORIAL

Question to the people of Antioch: How many of you have attended a village board meeting, a zoning hearing, a high school board of education or a grade school board meeting, or any of the other PUBLIC meetings which have such a great influence on our community?

Our town is growing and feeling some of the normal pain which goes along with expansion. This is good and, for the most part, our growth has been at such a rate that it could be easily absorbed without any great hardship on the people. I am sure this is not going to remain the case. Already our schools are having problems with lack of funds brought about by our rapid growth and I am sure other areas of service for our community are going to feel the same financial pinch.

The only time a community such as ours really gets into serious trouble is when that community is made up of people who are unaware and apathetic toward total community involvement. Let's not let that happen to us.

The reason I ask the question - Have you attended?— is that attendance at public meetings is one way to become aware. Your attendance also demonstrates your support for the persons you have elected to these various posts. Just don't go to a board of education meeting or a village board meeting when you have a problem, go to become aware of how your community works.

The words "aware" and "involvement" are so often used by our young people today that I feel the "older set" believe these words have no meaning for them. The dictionary does not set an age limit along with its definition. Let us not set one. Become aware of what is going on in Antioch and get involved.

## Check Your Bicycles

In going through the police reports each week we have noticed that the Police Department must spend an unwarranted amount of time following up lost or stolen bicycles.

It would seem that a great amount of this time spent is due to carelessness on the part of the owners. The bicycles that are found are most often not tagged. Therefore there is no record of the owner necessary in order for the bicycles to be returned.

The first thing the owner of a bicycle should do is go to the police department to get a tag and then make a practice of keeping better track of his bicycle. The men of our Police Department have enough to do without making up for our carelessness.

## THOUGHTS FROM THE STAFF

With summer in full swing, families are having reunions and children are spending some of their vacation time with grandparents.

### GRANDPARENTS

A grandmother is a lady who has no children of her own so she likes other people's boys and girls. A grandfather is a man grandmother. He goes for walks with the boys and they talk about cars and fishing and things like that. Grandmas don't have anything to do but be there when you need them. They are old, so they can't play hard or run and jump. It is enough if they take us to the market and have lots of dimes so we can ride on the pretend horses. Or if they take us for walks, they should slow down past pretty leaves or caterpillars. They should never say "Hurry up." They are fat but not too fat to bend down to tie a kids shoe. They wear glasses and can take their teeth out. It is better if they don't play cards except with us. They don't have to be real smart, only answer questions like why dogs hate cats and why isn't God married. They don't talk baby talk because it is too hard to understand. When they read to us, they don't skip pages or mind if it is the same story over again. Everybody should try to have one, especially if you don't have TV. Grandmas are the only ones who have time for us kids.

THE ANTIOCH NEWS

Congressman Robert McClory (R.-Ill.) announced today from Washington that the Office of Economic Opportunity has approved funding for two Lake County Community Action Projects. A grant of \$79,000 has been awarded to the Lake County Council on Alcoholism for initiation of a two-year program which will provide counseling and rehabilitation of the alcoholic and his or her family. It is estimated that this project will serve the needs of some 1,700 cases of alcoholism in Lake County.

In addition, a \$20,000 grant has been approved for the procurement of emergency food and medical services for low income families. The program will increase low income participation in the food stamp and school lunch programs.

Congressman McClory indicated that he was extremely pleased with the speedy approval of these two grants. The Congressman declared:

"I am most happy that Lake County is receiving its fair share of federal assistance to aid these two worthwhile programs. They will provide help where it is sorely needed, and I am confident that they will prove most beneficial to the Lake County community."

Mr. McClory serves as an honorary Board Member of the Lake County Council on alcoholism. Dr. Raphael Adelman is Chairman of the Board, and Donald Wasson is the Council's President.

Original design work makes Quaker one of the top in its field.

## QUAKER IND.

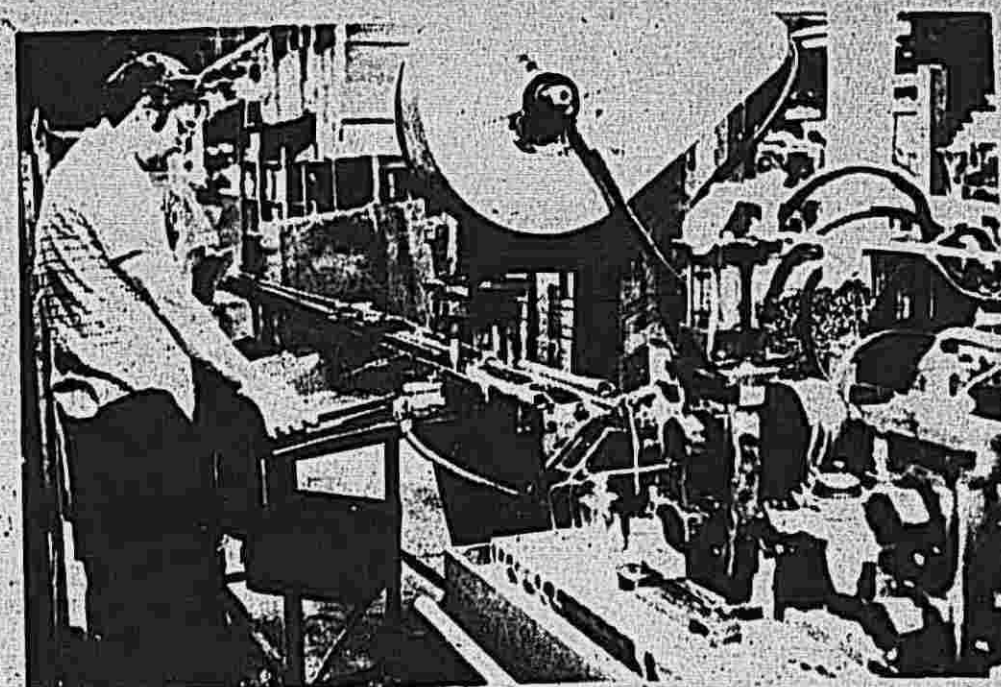

"... a business enterprise is a living, functioning institution, existing to perform a needed, satisfactory service."

This statement appears first in a Statement of Beliefs published by Quaker Industries, Inc., of Antioch. To anyone who has watched the growth of the Quaker plant, located in Antioch's Industrial Park, there is no question of the truth of this belief and the company's wholehearted adherence to it.

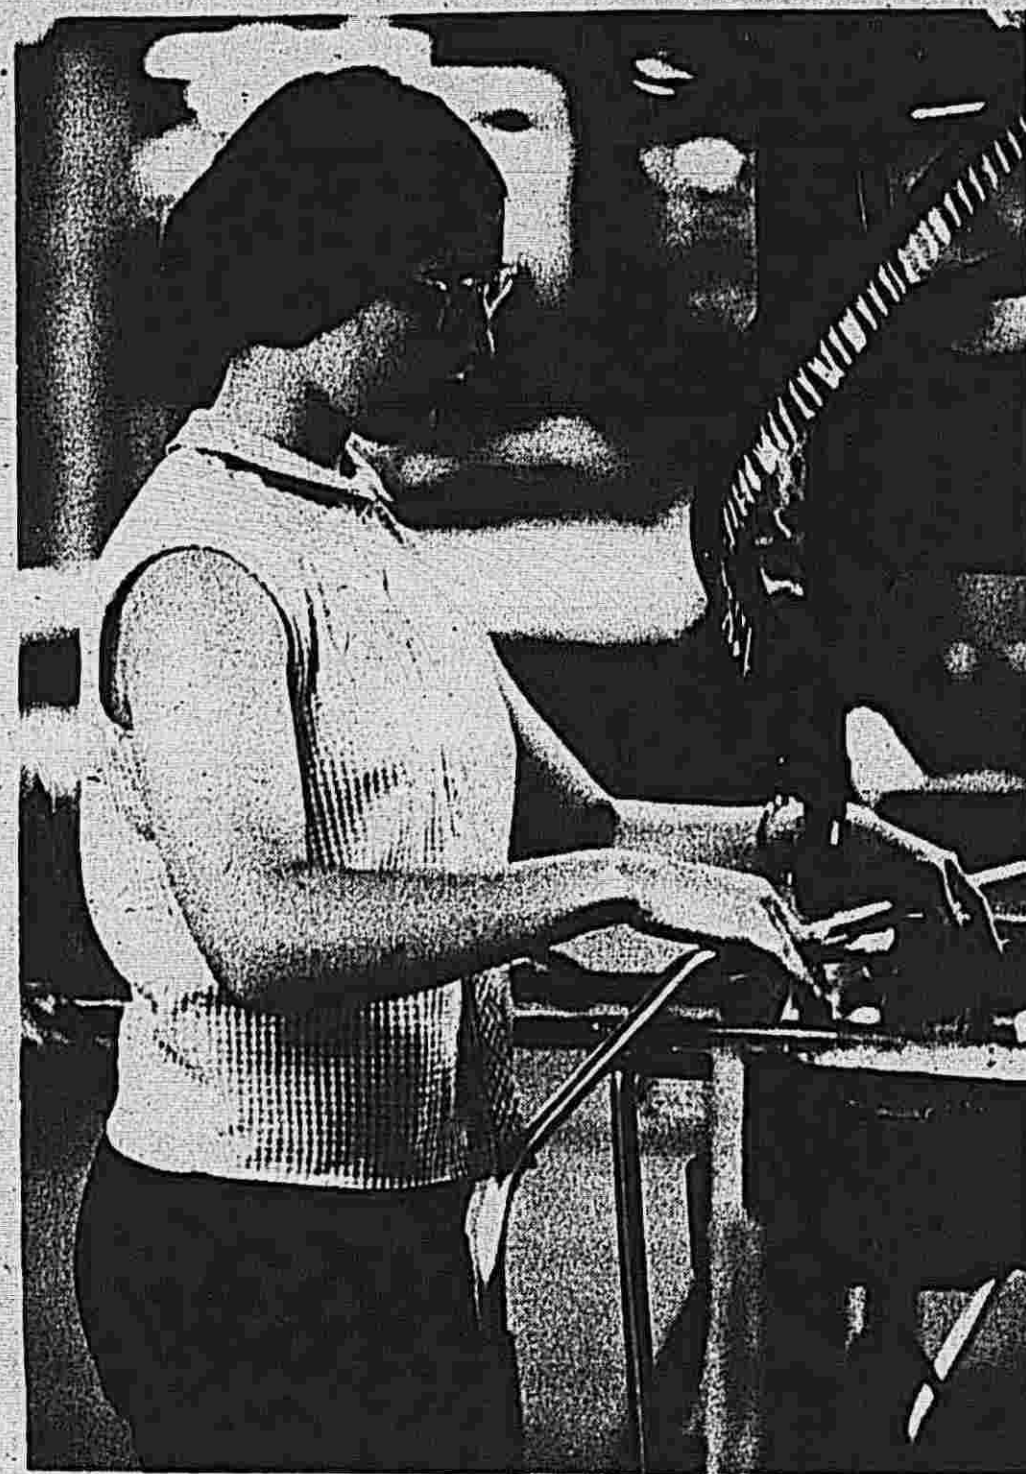

In 1960, under the direction of Walter Block, Sr., President of Quaker Industries, and Walter Block, Jr., Executive Vice President, Quaker transferred its operation from Kenosha, Wisconsin, to Antioch to gain room for an

expansion program which seems never to have lessened during its 11 year residency in our community.

The history of Quaker Industries began in Kenosha in 1935 when a company was established with 10 employees to manufacture curtain stretchers. When its product became obsolete in 1952, Quaker Stretcher (as it was then called) began the manufacture of a product which was virtually a spin-off of the emerging TV industry—metal tray tables. Today, the company ranks as the world's largest manufacturer of TV tray tables. The diverse manufacturing operations of the company include metal, wood and fiberglass tray tables, decorative shelving, pole shelving, and toy and laundry accessories making them one of

Modern rolling press starts raw material on its way to finished product at Quaker.

Fastening T.V. tray table legs together as product comes near the end of the line at Quaker.

the top 10% of home product manufacturers in the U.S. Their products are on sale through Sears Roebuck and Co., Wards, and many other large retail outlets. When the Home Manufacturers Convention convenes in Chicago this summer Quaker Industries will have one of the four

largest displays on the floor of McCormack Place.

Over the last decade Quaker has conscientiously sought to strengthen its ties to the Antioch community. Many of the 400 employees currently working in the 300,000 sq. ft. manufacturing center transferred with the company from Kenosha and continue to commute. However, the current number of employees from Antioch represent about 10% of the labor force and a very impressive 20% of the managerial staff.

There is no question but what Quaker Industries, Inc., has become a vital and dynamic part of the economic growth of Antioch.

MR. GRANT SPONG, President of the Antioch Chamber of Commerce presents a gift to MRS. JOANNE SCHUTE, outgoing Executive Secretary, in appreciation for her services to the Antioch Chamber. Looking on is Mrs. Barbara Owen who has assumed the duties of Executive Secretary for the Chamber.

### NOTICE

#### STOLEN BIKES

A request came from CHIEF DAVIS for the Village residents to have their bicycles tagged. The Ordinance is a law and all bikes must have tags. Many bikes are stolen or missing each week. By having them tagged, many could be returned to the owners. A simple stop at the Police Department may save some tears from an unhappy child with a missing bike.

# Generation Gap

by Karen Sheehan

Although we all so often say, "There's no one around in the summer. I never see anyone I went to high school with," I guess we just aren't looking hard enough. Checking around, there really are lots of kids staying right here in the area this summer.

If you've been out to the new Kentucky Fried Chicken, you've probably seen MARY ELLEN OSMOND this summer. This should be Mary Ellen's college summer vacation as she'll be a senior at Western Illinois University. But first semester she'll be close to home student teaching in Mundelein toward her degree in Elementary Education. Mary Ellen works weekends out at Blarney Island.

A junior at Millikin University in Decatur, MISSIE ZEASON works out at Blarney Island too. She's pushing herself through a three-year program to become a medical technician. She will have completed her training at the end of next summer. This summer Debbie is also taking a chemistry course at the College of Lake County.

JIM SHORE is landscaping, putting in patios and all that goes along with working for

Norm Soland this summer. Jim has completed two years at CLC and has enrolled at Stout State in Wisconsin this fall. Jim is really looking forward to playing football up there in the cold country next fall.

You can find JIM CARLSON with the senior Mr. Carlson this summer. Jim is working for Carlson & Kordas Masonry while he's on vacation from Valparaiso University in Indiana where he'll be a junior this fall.

Monmouth College is the place RON OZGA calls home nine months of the year. Ron is a sophomore and he's helping out at his uncle's station, Ted's State Line Service, this summer. Like so many other college students, Ron was unable to find the type of summer job where he could make enough to really keep him going next year.

So we at the ANTIOCH NEWS again offer employers our assistance:

## SAVE OUR STUDENTS:

The Antioch News offers its services to any employer with an available job. Just phone 395-5554 and we will find an anxious and willing student to fill your job needs.

## JERRY BERKE,

## DOCTOR OF MEDICINE

Jerry H. Berke, an Antioch High School graduate, was one of more than thirty North Suburban residents among the 642 graduates earning degrees at the University of Illinois Medical Center Campus, Chicago.

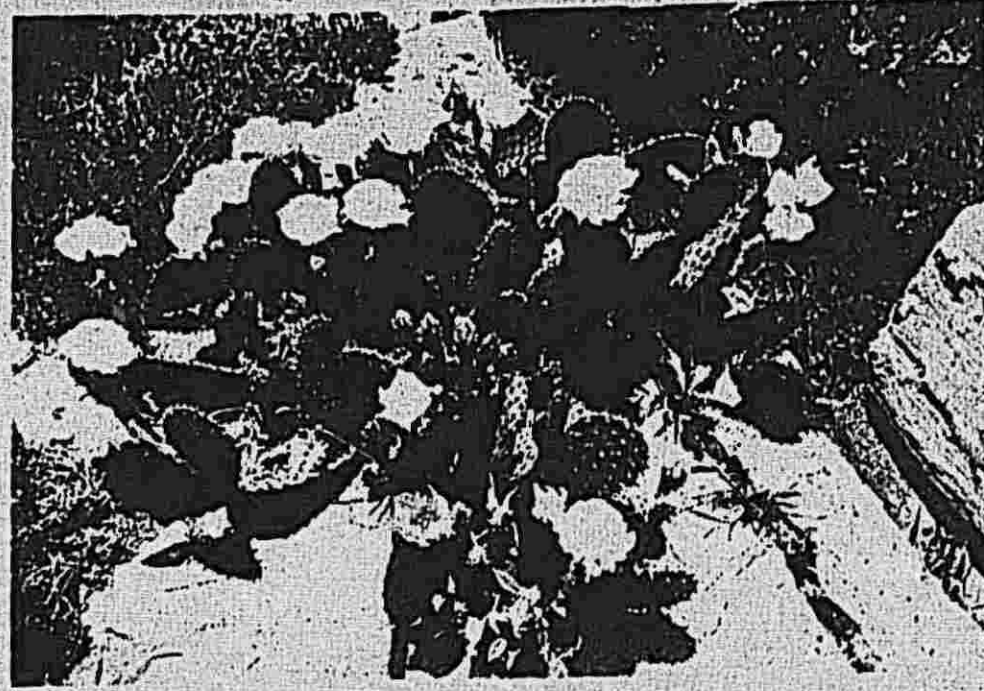

Dr. Berke received the degree of Doctor of Medicine in commencement exercises June 11.

Dr. David D. Henry, retiring president of the University of Illinois, delivered the commencement address and presented the degrees to the graduates.

## W. I. U. SUMMER MUSIC CAMP

Mike Ozga, from Antioch was one of about 600 junior and senior high school students participating in the June 20-July 3 Summer Music Camp at Western Illinois University. He is pictured here with Cris Izco, director of WIU bands, who was a senior high band conductor at the camp. His participation in the camp program was supported by a scholarship from The Antioch Woman's Club.

Mrs. E. Alvers of Rt. 2 Antioch displays a rather unusual specie for this part of the country, a 15 year old cactus in full bloom.

## HONORS TO JANUARY

EVE JANUARY, daughter of Mr. and Mrs. Ernest January, Jr., has been awarded honors-at-entrance status at Rockford College, Rockford, Illinois. Miss January, valedictorian of the 1971 graduating class, was also the recipient of the PTA Golden Jubilee Scholarship.

## Benefit for Scarlet Knights

The Scarlet Knights Drum & Bugle Corps "Booster Club" is giving a benefit dance, admission free Sat., July 10 at 8:30 p.m. to 1 a.m. The dance will be held at the V.F.W., 124 S. Utica Street, Waukegan.

Music and dancing to the El Sheridan Trio. Also included will be some square dancing called by Jim Adams.

There will be a drawing at the dance and tickets are available for a donation of \$1.00. Three prizes are for U.S. Savings Bonds for \$100.00, \$50.00 and \$25.00. Bond winners need not be present to win. Also ten \$5.00 attendance at the dance prizes.

Net proceeds from the dance go to the Scarlet Knights Drum & Bugle Corps for uniforms, equipment and to keep the corps in operation.

## CARD AND BUNCO PARTY

Sponsored by GARDENAIRES GARDEN CLUB

## DEPOLLUTE

There's only so much water. Don't leave it running! It has to be recycled too fast, treatment plants can't purify it properly.

## Homes Get '76 Spirit

Chicago (NFS) - Starting the bicentennial countdown well in advance of America's 200th birthday celebration, with-it home decorators are rallying around the red, white, and blue.

The flag colors are turning up literally everywhere in new home furnishings and housewares, reports interior design consultant Mary Ann Wills.

"ONE FIRM, Arabesque of Traverse City, Mich., has launched a special 'Spirit of '76' collection of decorative accessories to be developed over the next five years," she said.

The flag colors are featured in both modern and traditional battery clock designs and in new deep-dimensional plaques, including a skillful interpretation of the flag itself.

## ILLINOIS STATE GRAD

Dudley Sheehan, son of Mr. and Mrs. Joseph Sheehan of Route 45, Antioch has received a teaching position at Kaneland Junior High School.

He was graduated from Illinois State University at Normal on June 12.

## FIRE DESTROYS

## CHICAGOAN'S BOAT

It is presumed that leaking gas was the cause of a fire Saturday night which destroyed the boat of Orin Dunn, a Chicago resident.

The fire started about 11 p.m. around the motor of the boat located off Prospect Ave. in Channel Lake.

Loss was estimated at \$2500 for the 16 or 18 foot boat.

## SUPPORT ECOLOGY Come to Fashion Show

The Antioch High Ecology Club is having a Benefit Fashion Show at the Antioch Country Club on Tuesday, July 13, at 8:00 P.M.

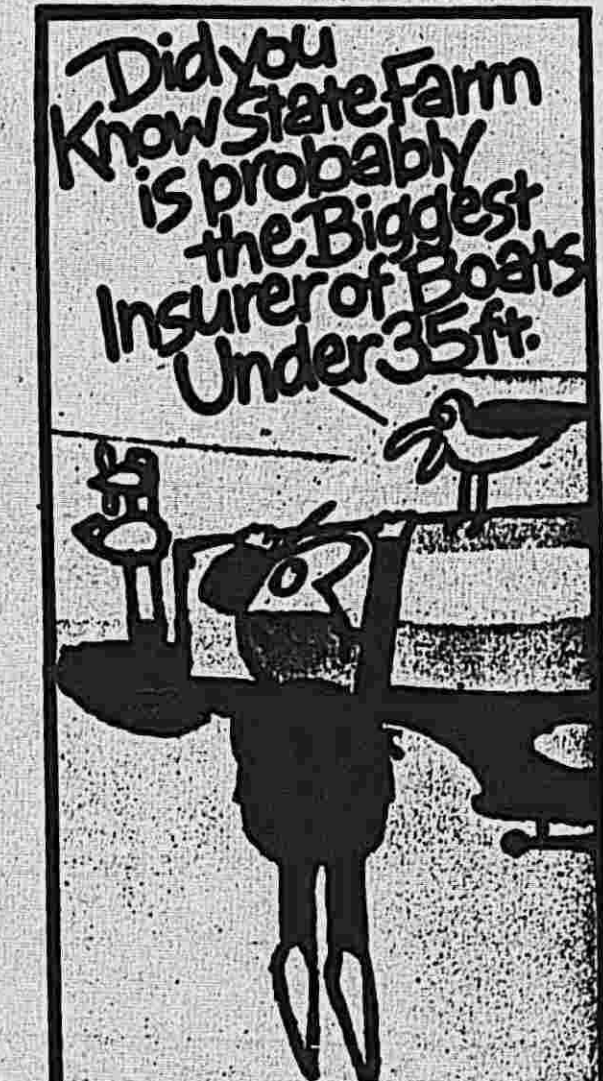

Fashions will be presented by the GODEY GIRLS of Main Street, Antioch and the SEWER of Victoria Street, Antioch.

The models are: Cindy Hayden, Linda Lagerstrom, Pat Howen, Kathy Larson, Candy Shute, Doris Meuter, Kathy Randall, Elaine Wells, Gale Robins, Sheri Fowle, Terry Olson, John Thain and John Gerson.

There will also be an ecology-minded product demonstration. Terry Olson is in charge of the event.

Donation will be \$1.00. Tickets may be purchased at the State Bank, First National Bank, Antioch Launderette, Antioch Country Club, Reporter, Sewer, Godey Girls or call Terry Olson - 395-2028.

Come out and support this very worthwhile venture.

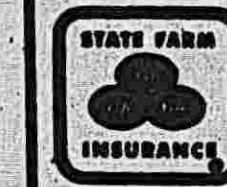

A State Farm Boatowners Policy insures your boat, motor and trailer and protects you against liability lawsuits. At low, low cost. State Farm is all you need to know about insurance. Call me.

# SO-CI'E-TY

n.: pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another; companionship; fellowship; connection; participation.

## SOCIAL NOTES

by Del Jahneke

Among the many people in this community who are both thankful and grateful for the Antioch Rescue Squad, are the Clarence Spierings, Rt. 45, Antioch. Mr. Spiering suddenly went into severe insulin reaction at 4 a.m. July 1. The Antioch Rescue Squad with Dr. Edward Abderholden, was there within ten minutes, and rushed Mr. Spiering to Victory Memorial Hospital. Best of wishes for a very speedy recovery!

Mrs. Dan Martin, North Chicago, the former "Teena" De Vries, daughter of the Bernard De Vries of Antioch, accompanied by her two children, is spending a two week vacation with her husband's family in Florence, Alabama. Dan Martin will soon be driving down to be bringing his little family back home.

Mrs. Charles Ferris, District 3 President, Mrs. Walter Buchert, District 3 Secretary, Mrs. Clarence Larson, Noble Grand, and Mrs. Wayne Jones, all members of Antioch's Lakeside Rebekah Lodge 82 attended "Friend's Night" at the Waukegan 340 Rebekah Lodge, June 25. Both Mrs. Larson and Mrs. Buchert were honored by the Waukegan lodge's Noble Grand and Past Noble Grand. The auditing committee met at the home of Mrs. Lillian Hand, with Clarence Perkins, Mrs. Harold

Ellis, Mrs. Larson, Mrs. Ferris and Mrs. Buchert in attendance.

Mrs. Earl Horton, North Avenue, Antioch left O'Hare Airport last Monday to fly to her brother's home in Everett, Washington. She will stay with the Sid Daily's for three or four weeks.

## MILBURN HORNETS BUSY

The Stonehenge Farm on Rt. 120 east of Rt. 45 was the outdoor meeting place for the Milburn Hornets on June 14.

Here the Farm Manager exhibited his breeding stock and explained what cattle men are looking for in the rate of gain and good breeding stock.

In addition to the checking of record books at the June 28 meeting, Pam Rausch and Don White gave talks on their week at the University of Illinois for 4-H Week.

It was announced that Pam Hunley would compete in the 4-H Public Speaking Contest at the Extension Auditorium on Wednesday at 8 p.m.

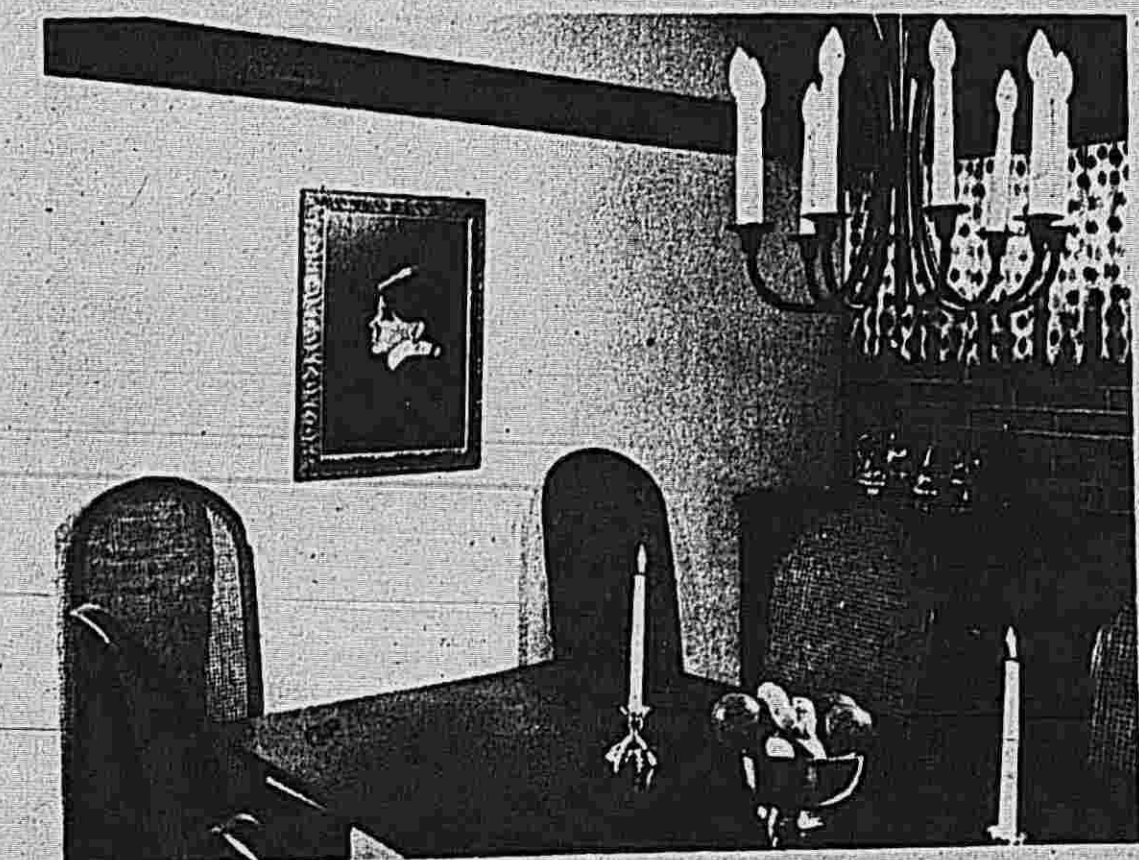

The next meeting of the Milburn Hornets will be July 6.

In the Public Speaking Contest June 30, Miss Hunley placed as the first alternate. With this distinction if the winner is not able to compete in the state contest, Pam will be entered.

Mr. Rush explains that something special is provided by portrait arrangements in various rooms. A grouping of portraits is really a gallery of visual memories that record a family's growth. Individual portraits introduce visitors to the personalities in a family and the Great Occasions they've shared, such as graduations, an important birthday, an anniversary, or a wedding.

The impact is subtle but effective. "I'm in a home not just a house" registers the subconscious impression.

Remember, don't let your "Great Occasion" slip by. Call today for an appointment at the B-J Studios, 395-5554, and make your house a home with beautiful portraits of YOUR memories.

## Newlyweds Preserving Traditions

Chicago (NFS) - While the dropouts are making headlines by flaunting almost every known tradition, it's reassuring to hear that a great majority of the under-25 age group is still of a more conventional mind.

They're still marrying at the rate of more than two million couples a year, and they take their home decorating plans very seriously, noted Barbara Brody, style consultant to a major manufacturer of dining furniture.

High on the list of first home essentials is a table that can seat four within the confines of a small dining L or foyer.

COUPLES thinking of a future home often try to find a set that will be suitable for use in the larger kitchen or family room they hope to have someday.

Miss Brody, who advises the B. Brody Seating Company, Chicago, pointed out the space-saving advantages of a pedestal table and swivel chairs for cramped living quarters.

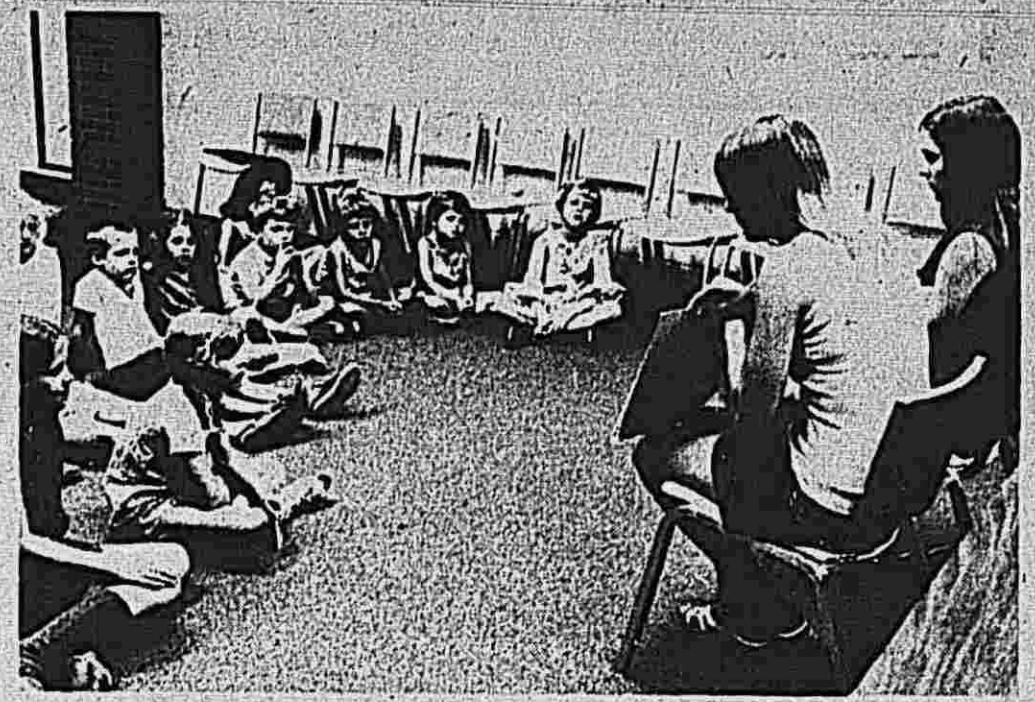

"Choose a round or octagonal shape," she suggested, "that will lend itself as well to a game of bridge as to Sunday breakfast or a beef fondue supper."

A LAMINATED plastic table top makes good sense in terms of easier housekeeping, and so does vinyl upholstery for its resistance to spots and stains.

"Most brides - and a growing number of grooms, too - would far rather spend their time perfecting a gourmet dish than polishing furniture just before guests arrive," Miss Brody concluded.

Because metal dining sets have proven so popular among younger shoppers with limitations of budget and space to consider, Brody has developed a full range of pedestal styles to harmonize with almost any decorating scheme.

Prices for five-piece sets, in a wide choice of finishes, table-top patterns, and upholstery fabrics, start at about \$210 in department and furniture stores.

Happy Saturday morning! The Antioch Township Library Story Hour is in full swing. The raptly attentive children are listening to a story being read to them by Diana Larson and Laurie Good of the library staff. The young people also enjoy children's records, movies and word games during the one hour session from 10:30 to 11:30 each Saturday morning. Children may still enroll in the program which will run through the end of August.

## Along the Way with

## Annie Mae

The Village Parking lot has a nice new look! But, while driving through, watch the arrows...

Happy Anniversary to HELEN & CHARLES HALING, SR. of Grass Lake who recently celebrated their 41st!! Many more to you both. MRS. & MRS. MYRUS NELSON got a "great surprise" from their three children when they celebrated their happy 40th anniversary July 1...

Recently returned from a two-week vacation touring the Western States are the FORREST BOLTON FAMILY of Antioch and the JACK MAHONEY FAMILY of Lake

Villa. While in Colorado Forrest (better known to his friends as Wiggly) called his former classmate from ACHS BOAKE BAIRD and his wife SYLVIA. Dr. Baird was quite surprised, as he hasn't seen many people from Antioch. They sure had a great time talking about the "old days"!!

Two area teachers, (D.D. & N.H.), sporting "terrific tans", recently returned from Hawaii. Hear tell the "scenery is quite nice (especially for two bachelors...!!)

DAN & SHIRLEY KASIK AND FAMILY just returned from Flint, Michigan where they attended the wedding of her brother... BOYER NELSON went to Moline on Saturday and to Canton to visit his sister and brother. His son HAROLD went with him.

This weekend saw lots of good weather, picnics and fun... 80 members of the SHEEHAN CLAN held their 20th annual family reunion at Warren Sheehan's on the 4th... the DROM FAMILY had quite a reunion picnic out at Trevor Community Hall June 27... about 70 people including FLOYD AND CLARE DROM HORTON, Edna Drom, Harold and Mary Drom Ellis and family, Clarence and Zella Ellis Larson and children Mrs. Zella Mary Larson Sherman, Donald and Bethel all of Antioch.

Did you know that REEVES is the only place in the area where you can get a \$.05 cup of coffee?!!

Happy Birthday this week to DONNA GUTOWSKI, Dave Rush and, also, to Donna (Yopp) Coffill out in Newport, R.I.

Don't forget the Ecology Club Fashion Show on Tuesday, July 13 at 8:00p.m. These young people are concerned and are doing something constructive about it. We 'old' folks can take a lesson and help and support them. Do something useful with an evening!

Three gals in Antioch are keeping busy this summer. Angie Maras, Caroline (Mrs Ted) Costoff and Shirley Stanich have been combing the countryside looking over locations for the next MENTAL HEALTH BALL. Report is: THEY HAVE FOUND IT and BE IN FOR A GREAT SURPRISE for a wonderful time. Keep looking for more information as it comes in.

Annie Mae

## PICNIC TIME IS HERE

Picture yourself sitting around a "Hand crank" ice cream freezer, empty bowl and spoon in hand, eagerly waiting. When it comes to ice cream there is no generation gap. Below are two recipes for homemade ice cream. The first one is more like an 'ice'. It is simple and economical to make.

### FREEZER ICE CREAM

Dissolve 4 junket tablets in 4 TBSP water. (tablets are usually purchased in a drug store)  
mix: 5 cups milk  
2 cups  $\frac{1}{2}$  and  $\frac{1}{2}$   
1 cup whipping cream  
2 cups sugar  
6 tsp vanilla  
Heat to lukewarm. Add dissolved junket tabs.  
Pour in freezer and set until firm (10 min.)

This second recipe is a richer ice cream.

### FREEZER ICE CREAM

Cook to boiling; 2 qts milk  
4 eggs  
2 cups sugar  
 $\frac{1}{4}$  tsp salt  
then add the following:  
1 cup cream  
1 can Eagle Brand  
2 TBSP Vanilla  
1 package Knox gelatine - dissolved.  
Then STRAIN. and pour into freezer.

A mild delicious topping for your grilled fried chicken is a butter and lemon sauce. Melt  $\frac{1}{4}$  lb. butter. Add 1 TBSP lemon juice, 1 tsp salt and pepper to taste. Brush chicken with sauce. Place bone side down on grill. Broil over slow coals, turning occasionally, brushing frequently with sauce, about 1 hour or til meat is tender and skin crisp and brown.

## HAPPY EATING

## American Legion Auxiliary News

Nearly 100 members of the 10th District American Legion and the Auxiliary attended the 2nd Division Convention, held in Rock Falls, Illinois on June 27. Those who were present from Antioch were the Ed Jahnekes and Mrs. Ray Rathmann.

The men met at the York Community House with the ladies in the Rock Falls American Legion Home.

Mrs. Victor Jovanovitch of Ottawa, 2nd Division President, conducted the day-long session for auxiliary members. Several 10th District members received honors. Mrs. R. Rathmann, Antioch, was elected 2nd Division Vice-President and installed in that office.

Mrs. Jerome Murphy, Aurora, Division Americanism Chairman, stated Amy Bridges of Lake Forest was one of the Division winners in the Annual Americanism essay contest.

In the Division Publicity Press Book Contest, the 10th District Press Book, compiled by Mrs. Edward Jahneke, Antioch, was first winner, with 12th District in second place. With the Unit Press Books, Mendota Unit was first; and Melleny Unit, second. These press books are now entered in state competition.

After considerable discussion, most of the division by-laws were accepted. Mrs. A.J. Dorn, Mundelein, was division chairman.

Mrs. Logan Kennedy, Baxter Evans Unit, Waukegan, 10th District Civil Defense Chairman, was given a citation for the best report from Mrs. Herbert Gleason, Libertyville, Division Civil Defense Chairman. Recognition pins were given to all the members who had taken the 2nd Division Leadership Development Training program, held in late April in Peru, Illinois, by Division Chairman Mrs. William Schultz of North Chicago.

Mrs. Jahneke, as Division Auxiliary Loan, Education, and Scholarship Chairman, presented a Citation to the 12th District Chairman, for the finest year's report of activities in this program.

### ILLINOIS

#### GARDENERS MEET

The second summer meeting of the Garden Club of Illinois, of which the theme is "Sky Rocket to Flowers" will be held July 12, at the Holiday Inn, 4440 Frontage Road, Eisenhower Expressway and Wolf Road, Hillside, with the Elmhurst Garden Club and Timber Trails Garden Club, Elmhurst as hostesses.

The business meeting will begin at 10:30 a.m. followed by luncheon at 12 o'clock noon. After luncheon, Mrs. R. Scheffler of Wheaton will present a program, "Parade of Flower Arrangements." For reservations, please send your check for \$5.00 to Mrs. Carl T. Nelson, 459 West Fremont, Elmhurst, Illinois 60126. Deadline for reservations is JULY 8.

### DEPOLLUTE

Stop Smoking

A Memorial Service was held for 196 deceased members of 2nd Division, with Mrs. Robert Broege, Deerfield, District President, and Mrs. Richard Brady, Gurnee, District Chaplain, participating in the ceremony. Antioch Unit's two deceased members Mrs. Walter Hills and Mrs. Andrew Kalnik, were on this roll call.

Division Legislative Chairman Mrs. R. Brady gave a Citation to Mrs. Philip Cole, Highland Park, 10th District Legislation Chairman, for the most comprehensive report on legislation.

On the division level of the Poppy program, Mrs. Norman Holt, North Chicago, division chairman, gave personal gifts to Mrs. Henry Heinsohn, Lake Zurich, 10th District Chairman for the highest percentage gain in poppy sales.

Mrs. Joseph Hogue, Waukegan 281, was one of the registrars. Mrs. Thomas Rizzo, Lake Zurich, was on the resolutions committee, and Mrs. Jahneke served on the auditing committee.

Mrs. Victor Lello, Chicago, State 2nd Vice-President, was the Installing Officer for the installation of officers. Nearly 500 legionnaires and auxiliary members were at this convention.

### Christian Science Churches

Communion services will be held at Christian Science churches Sunday.

Keynoting the Lesson-Sermon on "Sacrament" is this Scriptural text: "To do good and to communicate forget not: for with such sacrifices God is well pleased."

Why it is important to do this is indicated in this passage from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy: "Prayer, watching, and working, combined with self-immolation, are God's gracious means for accomplishing whatever has been successfully done for the Christianization and health of mankind."

Services begin at 11 a.m. at First Church of Christ, Scientist, Beacon Hill, Rte. 173 and Harden, Antioch. All are welcome.

### "STAND FAST

### SHOP

#### THE THRIFT SHOP

Do the handicapped a favor and browse through The Thrift Shop at Lake and Main soon.

Sponsored by the Antioch Mental Health Association, the Thrift Shop is a non-profit store working solely for the physically and mentally handicapped.

The money made at the Thrift Shop is contributed to various organizations working for the handicapped. Among the recipients of donations from the Thrift Shop is the Lambs Farm in Libertyville where the handicapped are employed doing things for which they are capable. Also, the Grove's School in Lake Forest for the severely mentally and physically handicapped.

The Thrift Shop carries a wide range of clothing for all ages. Nicknacks and small household articles are also available in abundance.

Anyone wishing to donate items can do so. The Thrift Shop will gladly accept your donations.

Hours at the Thrift Shop are Thurs., Fri., and Sat. 10 a.m. to 5 p.m.

### DEPOLLUTE

Avoid disposable diapers if possible. They may clog plumbing and septic tanks.

## Obituaries

MRS. ELSIE E. PIERCE—74 years old of Depot St., Antioch passed away suddenly from a heart attack at her home on Saturday July 3. She was born Nov. 27, 1896 in Somers Twp. in Kenosha County, Wisconsin. She had resided in Kenosha County until moving to Antioch in 1915. She and her husband had operated a farm and nursery business for many years. She married Roy L. Pierce on Sept. 23, 1915 at Crown Point, Indiana.

She was preceded in death by her husband Roy on March 27, 1944 and one son Gordon L. Pierce on May 2, 1966.

Survivors are three sons Glenn and George Pierce, both of Antioch, and Guy Pierce of San Mateo, California. And five daughters Mrs. Gloria (Orville) Cunningham of Lake Geneva, Wisc., Mrs. Gayle (Kennard) Scribner of Antioch, Mrs. Gilda (John) Sobey of Antioch, Mrs. Gerda (Wilbert) Lahti of Antioch, and Mrs. Gwyn (Paul) Portwich of Antioch; three brothers Carl Paasch of Kenosha, Wisc., Arnold Paasch of Blue Island, Ill. and Wendell Paasch of Richland Center, Wisc.; two sisters Mrs. Ruby Newhouse of Camp Lake, Wisc. and Mrs. Bessie (John) Conrad of Burlington, Wisc.; and 25 grandchildren and 25 great grandchildren.

Funeral services were held at 1:30 p.m. Tuesday at the Strang Funeral Home in Antioch. Interment was in Hillside Cemetery at Antioch.

## FIGHT POLLUTION!

You can help fight pollution! Detergents contain large amounts of phosphates, an essential nutrient for algae. Over abundance of nutrients result in large growths of algae, which choke up many of our waterways now. The death of these masses algae results in oxygen removal from the water, thereby killing fish. The decaying, smelly masses of algae either wash up on our beaches or gradually fill our waterways.

Buy low phosphate detergents and help fight pollution! Below is a list of detergents products and the units (grams) of phosphates added with each wash load. **STAY BELOW 25 UNITS.** Whichever detergent you use **AVOID WASTE**, use no more than the quantity specified on the box.

Detergent	Amt.	Phos.
Ivory Flakes	any	0
Diaper Sweet	any	0
Trend	1½ c.	6
Instant Fels	1½ c.	8
Diaper Pure	1½ T.	1

DISHWASHING LIQUIDS generally contain no Phosphates.

(Cancer, June 22 — July 22)

Towards people he likes, the Cancerian is sympathetic, protective and guarding, while, concerning things, he has a natural instinct for collecting. He deeply embraces many instinctively held ideas and seeks to justify them. He tends to base his actions on feelings rather than thoughts.

Female Cancerians are often drawn to domestic life. Powerful feelings about preserving the family unit and the home are common among male Cancerians who frequently beautify their home throughout the year with colorful flowers.

Cancerians must continually guard against the misuse of those traits which can lead to fussiness and restlessness. The spoon chrysanthemum is their flower, according to FTD florists, who add that moss agate is their birthstone.

# Save money on auto insurance, if:

If your insurance company is already giving you a break because you have a good driving record—chances are we can give you a better break with our new Etna All-Driver Plan.

That's because we're introducing an entirely new, different method of determining rates and providing broad coverage for auto insurance. And there are 10 ways you can now qualify for lower rates or broader coverage.

If you have a fair driving record, but couldn't avoid a couple of fender-benders over the past few years, you're most likely paying a higher price for your coverage. With the new Etna All-Driver concept, you, too, may be able to save money. And most important, we'll give you the best guarantee in the industry on renewing your policy.

So come in and see us. Or if you can't make it, call. Today.

## VETS HAVE PICNIC

The Antioch Township Republican Club Ladies Auxiliary will hold their 6th annual picnic for wounded Vietnam veterans on Wednesday, August 4 at the Arbor Resort on Bluff Lake, Antioch.

Some fifty or more young heroes will be entertained all day long with a charcoal broiled chicken dinner and roasted sweet corn, plus all the trimmings that go with it. Boat rides, fishing, games, swimming, loafing and anything else the boys enjoy doing will be the order of the day, followed by an evening meal and dancing to rock music with pretty young girls.

Club president Lillian Olson issued an appeal for donations of cakes and cookies for the picnic, for the boys in attendance and for those who are unable to leave the hospital. Donors may contact Mrs. Harry H. Stern at 395-2713 in Antioch for full information on where and when to bring the goodies.

Anyone who can help to entertain the young vets is urged to show up and pitch in. The wing-ding begins at 12 noon.

The entire party will be funded by the Women's Auxiliary out of their treasury.

## NAVYMAN HALE

### GRADUATES

Navyman William M. Hale, son of Mrs. Marilyn Fitzpatrick of 707 Lake Shore Drive, Lake Villa, Ill., was graduated from recruit training at the Naval Training Center, San Diego.

## GAMBLING ON THE CARNIVAL GROUNDS

Officer E. R. Pett of the Antioch Police force found gambling on the opening night of the carnival.

One of the game booths was closed. Two others promised to discontinue the gambling after being warned.

## FORD COURSES TAKEN

Mr. Norman R. Brecheisen and Mr. Pat Ryan, of Lyons-Ryan Ford Sales, 104 Route 173, Antioch, Ill., have just completed courses offered by Ford Marketing Institutes to benefit Ford and Lincoln-Mercury customers by emphasizing after-purchase service and customer relations.

Mr. Brecheisen completed a Dealership Accounting - Methods & Procedures Course. Mr. Ryan took part in a New Dealer Seminar.

The Institutes employ the latest personnel development techniques and equipment, and stress group participation in simulated selling or management situations.

Since the first Institute was opened in 1959, more than 150,000 persons have attended courses.

## Mirocko Heads A. F. S.

Student members of the Antioch High School chapter of the American Field Service have elected Yvonne Mirocko as president. Supporting Yvonne will be Debbie Herbert as vice-president, Barb Polsgrove as secretary and Joanne Apostol as treasurer. Mr. Lucien McLean will carry on as student advisor.

Student and adult members of the Antioch A.F.S. chapter will be working diligently this summer to make the "A.F.S. Festival of Comedy" a huge success. Three big nights of zany comedy and cartoons have been scheduled to be shown, at two week intervals, in the Antioch High School auditorium at 8 p.m. Donation is \$1.00 per night. Wednesday, July 14 - "The Great Race", plus a cartoon (Rated G and a panic)

Wednesday, July 28 - "Comedy Shorts", featuring Charlie Chaplin, W.C. Fields, Abbott & Costello, Laurel & Hardy and Mae West (Rated G and a side-splitter)

Wednesday, July 11 - "The Lavender Hill Mob", plus 3 cartoons (Rated G and a riot)

Tickets may be purchased from any A.F.S. member, also from Jean Irving at the First National Bank of Antioch, Preston Reckers at the State Bank of Antioch and the Lake Villa Trust and Savings Bank.

All proceeds will go to pay for the scholarship of Antioch High School's sixth foreign exchange student. A.F.S. hopes to raise enough money to send an Antioch student abroad as well as bringing a foreign student here. The "A.F.S. Festival of Comedy" is guaranteed to be three fun nights for the whole family!

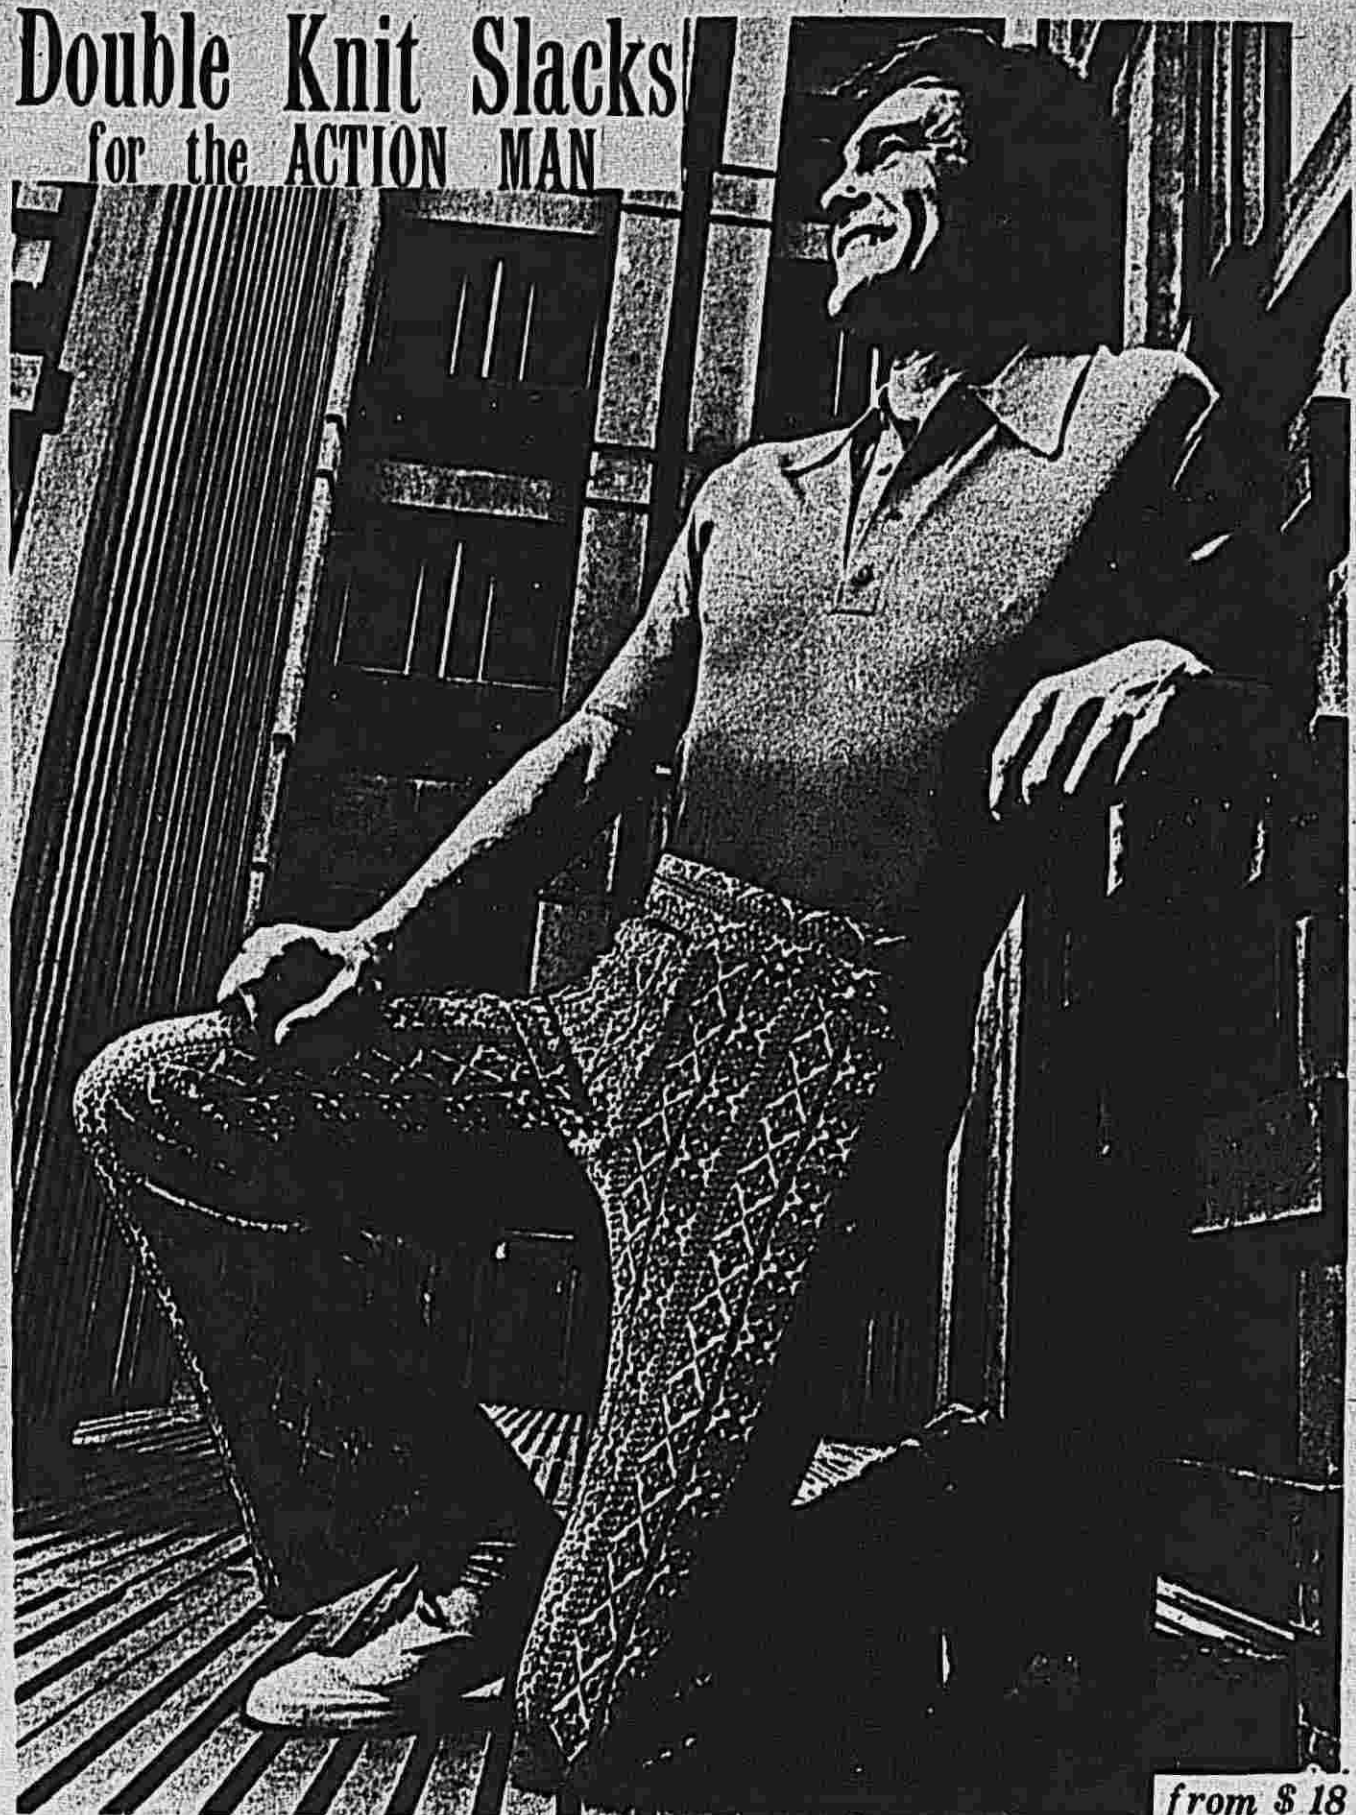

## Fatality on Rt. 83

At 10:33 p.m. Monday night Melvin Brawley of 866 N. Milwaukee Avenue, Libertyville died in an auto accident which occurred just south of the state line on Route 83.

Marvin Brawley of 106½ Cedar Avenue, Lake Villa, another passenger in the auto was critically hurt and is hospitalized.

The driver Andy Mills also of 106½ Cedar Avenue, Lake Villa was unhurt.

## NICHOLAS COMPLETES COMBAT COURSE

Army Private Joseph R. Nicholas, son of Mr. and Mrs. Clifford C. Nicholas, Rt. 2, Antioch, recently completed an 8-week course at the U.S. Army Training Center, Engineer, Ft. Leonard Wood, Mo.

During his training, he learned to perform engineering tasks in direct support of combat units. The training included instruction in road and airfield construction and maintenance, field fortifications and the erection of fixed and floating bridges.

The gnu weighs 300 to 475 lbs!

If you see yourself in the Antioch News and you'd like to have the picture, come see us at 141 Cheri Lane. For \$1.00 it's yours.

## CONGRATULATIONS

Deputy U. S. Marshal Joseph A. Zito, of Cary, Illinois, in Washington to accept a citation from the Director of the U. S. Marshal Service received the congratulations of Congressman Robert McClory and Chief U. S. Marshal John C. Meiszner.

Mr. Zito, the former sheriff of Cary, was instrumental in the capture of the hijacker who killed one passenger and attempted to force the crew of the aircraft to take him to Hanoi. He entered the plane through the cockpit while the aircraft was at O'Hare and then wounded the hijacker while the jet was in flight, enabling FBI agents to subdue the hijacker when the plane landed at New York City for refueling.

### OOPS SORRY!!

We received the wrong racing news last week. Rather than make corrections, here it is in full. Saturday June 26, 71.

Johnny Reimer, the "Caledonia Clipper", has a two in a row win streak going on the IRA Super Modified stock car circuit. He won Friday June 25 at the Santa FE Speedway in Chicago and wound up the rich winner of the 50 lap 2nd Annual Antioch Championship Race at the Kenosha County Speedway in Wilmot, Wisconsin on Saturday night.

In each case the wins boosted him into the lead in the point standings at these tracks.

The spectator attendance for the first 50 lap feature of the season again set a new all time record for the second week in a row. 5022 fans saw Reimer receive the Antioch News Trophy from Joe Rush, new owner of the paper.

Reimer also received one of the new type STP jackets from the STP Corporation in Des Plaines, Ill.

It wasn't until the 13th lap that Reimer took the lead in the race from early pace setter Al Schill, Frankville. At the end he had a half straight-away lead over defending Champion Whitey Harris, Lake Villa. Tom Anderson, Antioch looked like the biggest threat to Reimers lead as he sped into second spot but spun his car while closing in on the A3 modified. Harris, Schill, Jim Bozeman, Waukegan and Jim Sullivan, Fox Lake, traded positions many times before the end with Bozeman finishing 3rd; Sullivan 4th and Schill 5th.

It was Reimers 5th IRA Circuit feature win of the season and his 10th overall win. He leads in both categories.

Fifty-one modifieds were on hand again making it necessary to run the 5th-10 lap bonus

heat race. Winners were Ray Dropp, Paletine; George Fisher, Port Atkinson; John Schum, Greenfield; Bozeman and Sullivan.

The 24 car 15 lap semi-feature was won by Jim Cameron, Kenosha.

Jack Ashenbrenner, Hales Corners, lost his five in a row fast time qualifying honors in the sportsman stock car events as Wes Eckert, Greenfield waited until it was too late for Jack to get another chance to qualify, and cut loose with a time of 20.45 to capture the honor. Ashenbrenner came back to equal the score by getting the checkered flag in both his heat and the feature with Eckert finishing second in the feature and only 3rd in his heat. Dale Erdman, Caledonia, won his heat and The semi-feature. It was his first wins of the season. Joe Greske, Franklin, won the other Sportsman stock car heat.

Eddie Loomis, Waukasha,

set fast time for the modifieds for the fifth time in six nights at Wilmot with an 18.04 second run. The 5022 attendance record broke the 1 week old mark of 4513. The drivers purse was \$4700.00

## BIKE TALK

By GREGORY GORE  
Editor, Motor Cycle World

Tennessee recently passed a law providing that all motorcycles or motor-driven cycles operated upon any highway or public road shall be equipped with crash bars approved by the Commissioner of Safety. That law has been amended and no longer applies to motorcycles whose engine displacement is 45.75 cubic inches or less, and the operator is 21 years of age or older.

A cyclist was convicted under this statute and took an appeal to the Supreme Court of Tennessee, which held that the statute was constitutional. It said that this regulation did not go beyond a reasonable relationship to the subject, nor was it an unmistakably and palpably excessive use of legislative power, nor was it arbitrary beyond possible justice. The case is being appealed to the Supreme Court of the United States.

We know that there are state laws requiring that drivers wear helmets, and we also know that some states have held this requirement unconstitutional. But there is a distinct difference between the helmet requirement and a law which says that the vehicle must be equipped with crash bars. Crash bars have nothing whatsoever to do with the manner in which the motorcycle is driven, and cannot possibly affect the rights, welfare, and safety of others using the highway.

The question is of great importance to every manufacturer of motorcycles in the U.S. and to foreign manufacturers who do a tremendous business in the United States.

The question is whether the state has authority to use police power to require one to protect

himself from himself, where what he is doing is not in any way affecting anyone other than himself. There appears to be no basis for a state's claiming such authority.

We know that under the Ninth and Fourteenth Amendments to the Constitution, the people reserve to themselves the right of privacy. In a recent Supreme Court case, the court said that even though the governmental purpose be legitimate and substantial, the purpose cannot be pursued by means that broadly stifle fundamental personal liberties when the end can be more narrowly achieved.

## re-acting

**REIMER ON HOT STREAK AT WILMOT** Johnny Reimer, the 'Caledonia Clipper' won the 30 lap super modified stock car race at the Kenosha County Speedway in Wilmot, Wis. Saturday night. He also won a special Holiday Week End Trophy and a gift certificate to a free course in parachute jumping from a skydivers club nearby. Driver Jr. Dodd, Waukegan, who led the race until the 25th lap, offered to pack Reimers first parachute. Dodd had almost a straight-away lead on Jim Bozeman, Waukegan before Reimer took second, closed the gap and passed Dodd who didn't even know Reimer was behind him.

The win was the second in as many weeks at Wilmot for Reimer and the third time in a row that the all time attendance record at Wilmot has been broken. 5124 fans saw Reimer finish ahead of Jr. Dodd; Ron Bergsma, Richmond; Jim Bozeman; and Roger Otto, Burlington.

The semi-feature race for 15 laps with a field of 24 cars was won by visiting driver Bob Lawrence from St. Paul, Minn. He is the brother of a former modified stock car driver who lost his life in a highway accident several years ago and Bob makes an annual visit bringing his race car with him when visiting relatives in the area.

The race had to be stopped when Lawrence spun while running second on the 5th lap. Eight cars piled up trying to avoid him. On the restart, Lawrence moved around leader Jim Summerfield, Muskego who was later passed by Pop Kline, Genoa City.

Five ten lap heat races were again necessary as 57 modifieds were on hand. They were topped in qualifying by Eddie Loomis, Waukesha who turned a lap at 17.77 seconds. It marked the sixth time in seven weeks at Wilmot that Loomis has set fast time. The 10 lap heat race winners were Darv Niessen, Winthrop Harbor; Joe Moulis, McHenry; John Rank, Milwaukee; Dodd and Reimer.

### TOM JONES WINS

Tom Jones of Northbrook got a break from the weatherman Sunday night at the Waukegan Speedway as he took the championship race lead in the 75th lap of 100 and scored an impressive win. The race was stopped by rain in the 58th lap and during the rain period Jones made the necessary adjustments on his car for the win.

Saturday's feature winner, Carl Major of Chicago, gained the feature lead in the 4th lap. He led until the 20th lap and then regained the lead 55th lap. Major held on to finish second after staying right on Jones' bumper until the 90th lap. Bob Roper of Chicago finished third followed by Bob May of Gurnee, Al Gutche of Bristol, Bob Dotter of Chicago and Ray Young of Dolton.

Young had the night's fastest time and was running third in the 100 lap feature until the 93rd lap when his car slowed drastically. Before the rain he had tangled with Gutche in the fourth turn with both cars spinning.

Jim Cossman of Waukegan continued to have tough luck as he looked like a sure winner of the 100 lap race until the rain began to fall harder near

The sportsman stock car events had one of the most unusual happenings that has ever occurred at Wilmot. Don Schmidt, Kenosha and Tom Kling, Caledonia crashed together on the back straight-away with both cars leaving the track. Schmidt's car crashed through a high wire fence and wound up outside the fairgrounds property. The fence sprung back to partial upright making it impossible for him to re-enter the track there. He had to drive through a field, over a county highway, a Wilmot street and back to the pit entrance to get back onto the track to continue racing. After another restart when Les Lunsford, Caledonia, flipped twice, Schmidt wound up third in the race behind Jack Ashenbrenner, Hales Corners and Joe Greske, Franklin.

Other Sportsman Stock car events were won by Dale Erdman, Caledonia who won the semi-feature and his heat to make it four wins in two weeks at Wilmot.

Jack Ashenbrenner set fast time and won the feature scoring another clean sweep for the popular driver who was second in IRA sportsman stock car standings in 1970 and leads both IRA Sportsman Stock Car tracks and overall standings this season. Attendance for July 3, New record-5124. Drivers purse was \$4730.00.

### FIREWORKS RESCHEDULED JULY 11

The Fireworks Display scheduled for the IRA Super modified and sportsman stock car races at the Lake Geneva Raceway were rained out after a three hour wait of the situation which saw sprinkles finally turn to showers.

The entire program of 14 events complete with the fireworks display has been rescheduled for Sunday July 11.

Attendance at the track prior to the cancellation indicated that it might have been a near record turnout for the IRA super modifieds.

the half way point. In the 53rd lap Lou Clavey of Deerfield lost the left front wheel and cradled it on his door for half a lap to get it in the infield.

The yellow came out at that point to clear parts off the track and when the green came out again Cossman found a slick spot in the first turn and sailed into the wall backwards. The race was stopped five laps later as the rains became heavier.

The track was dried and one hobby stock event run before the feature was resumed nearly an hour later. At that point Major was in the lead with Jones second.

Heavier rain began falling after the hobby consolation race with the hobby feature race on the track. As the green flag fell for the rain, several cars spun and blocked the track. By the time the track was cleared, it was too wet to resume racing.

A large crowd was on hand even with the threatening weather. As the sprinkles persisted, time trials were delayed 15 minutes and the feature race was rescheduled to be run before intermission. The heat races for the late models were rescheduled for after intermission, but the rains cancelled them.

### Excitement Friday Night

The races weren't over until the last lap at the Waukegan Speedway Friday night in the sportsman races as Jack Ashenbrenner of Hales Corners took the feature lead in the last half lap and then in the powder puff race Sheila Peters of Zion flipped in the final lap.

And there was speed too as three new track records were set. Tom Reuss of Wildwood set fast time at :16.10 for a new mark. Then Wes Eckert of Greenfield won the third 10 lap heat in record time and Ashenbrenner's feature was a new 25 lap mark.

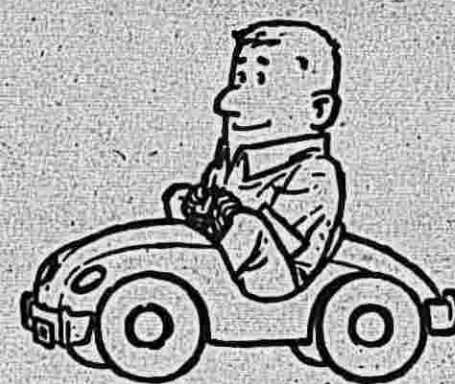

Bob Klemm of Gurnee led the first six laps before Chuck Bostick of Waukegan took the lead. Klemm dropped out in the 13th lap to become the first of the 18 car field to retire.

By the 20th lap Ashenbrenner, Charlie Weddle of Milwaukee, Eckert and Jim Boehles of Hales Corners were right on Bostick's rear bumper. As the white flag came out Ashenbrenner pulled outside Bostick and the two were even with one lap remaining.

Abel Avila of Zion, being lapped, apparently was bumped by Ashenbrenner and slid into Bostick with both cars tangling and hitting the backstretch wall. Avila's car caught fire briefly.

Meanwhile Weddle shot past both Bostick and Ashenbrenner for the lead, but clipped another car on the backstretch and hit the wall going into the third turn. This allowed Ashenbrenner to take the lead with Boehles in second spot, Eckert third and Bostick fourth. Reuss finished fifth, he's the point leader to date, and Chuck Chadwick of Lake Zurich, who's second in points, sat out the races after losing a wheel in the trophy dash.

The powder puff derby had a reduced field of cars as several cars were wrecked earlier. Diane Smith of Gurnee took her second win of the year as the race was stopped quickly when Sheila Peters hit the first turn wall at full tilt and flipped up-side-down temporarily, finally landing right-side-up in the second turn. She was well shaken, but otherwise unhurt.

### MAJOR TAKES MAIN EVENT

Chicago's Carl Major recovered from a mishap in the 25th lap to win the rich 50 lap main event at the Waukegan Speedway Saturday night. Al Gutche of Bristol finished second with Jim Cossman of Waukegan third and Ray Young of Dolton fourth.

The largest Saturday crowd of the season pushed the pay-off well past the guaranteed mark. And the double championship points on the race put Major in third spot in the latest standings.

Current leader Bob May of Gurnee had his worst night of the season as he dropped out in the 45th lap while running fifth and was credited with a 14th place finish.

Gary Zobel of Mundelein passed Bob Delaney of Keeneyville in the third lap for the feature lead. Major took second spot in the 8th lap and finally caught and passed Zobel in the 13th lap. Zobel dropped out seven laps later with a failed transmission.

In the 25th lap Major hit Delaney while lapping him and Major bounced into the infield. Major slid through the infield dirt and squeezed back on the track right in front of second place Gutche with Cossman and Young right behind.

The yellow came out for seven laps in the 27th lap as Marty Miller hit the first turn

wall very hard. When the green came back out Major opened a good lead over Gutche and was home for the win. Young challenged Cossman for third around the 38th lap, but Young dropped back after the two tangled in the first turn. Dave Stirsman of Highland Park beat Tom Jones of Northbrook to the finish line by one foot for fifth place money.

Young, making his first start here in three months, led the trophy dash all the way until the last ten feet when Major took the lead and win. Cossman, driving his old car which is now owned by hobby driver Cheyrl Arndt of Milwaukee, set the night's best time of :14.44.

Thirty-five hobby cars survived Friday's races and were on hand Saturday night for another action-packed segment of the program. It took three restarts in the first heat race and four restarts in the feature to complete those events.

In the hobby feature, Tom Edwards of Zion played it cautious on an oily track as he gained the lead early and then took no chances. Cheyrl Arndt, who earlier won the fast heat race, picked up second place money in front of her husband Bob.

## SWIM TEAM TAKES ON LAKE FOREST

The Antioch Swim Team ran a close race with the Lake Forest Club, top ranked team in the North Suburban Swimming Conference, losing by only five points on the last event.

Judy Houghton and Johnny Schmidt led the way for the 8 and unders with two firsts each. They were strongly backed up by Greg Shepard and Jeannie Cilik. Greg also swam 10 and under breast to score first.

Six swimmers for 10 and unders scored all the points for that age group. Those swimmers were Jenny Schmidt, Carol Berry, Denise Shepard, Jack Fields, Bill Garrels, and Steve Haley.

Mary St. Pierre and Suzie Berry both scored firsts while Linda Fields, John Kakacek, Scott Reeves, Jerry Schmidt, and Tim Waite all scored points for 11-12 year olds.

The 13-14 year olds, led by Dave Berry and Bob Dodd, scored most points in their age bracket. Adding insurance points were Jeff Schmidt, Frank Abderholden, Kim Klopp, Martha Hollenhorst, and Kit Kakacek.

Showing lots of strength, the Muro brothers Pat and Mike, Ed Berry, Barb Dodd, Sarah

Hollenhorst, Judy Berry and Linda Lagerstrom all surprised a strong Lake Forest team with their upset victories in many events.

Diving and looking well, were John Kakacek, Suzie Berry, Kim Klopp and Mike Muro.

The next conference swim meet for the Antioch team will be at the Antioch Aqua Center, Wednesday, July 7 against Brentwood from Waukegan.

## EVERYONE'S ELIGIBLE 10th ANNUAL FISHING DERBY

When you're out fishing between July 15 and Labor Day, don't forget the 10th Annual Chain O' Lakes Fishing Derby.

During the 7 week contest, \$5000 in prizes will be awarded. Divided into seven categories, four prizes are given in each category every week. In addition, all entrants are eligible for a weekly Sweepstakes drawing when four names of entrants of that week are drawn for prizes.

Prizes include coolers, fishing equipment and, for the largest fish of the year in each category, an outboard motor.

Everyone is eligible! To compete simply bring the fish you've caught to a claiming station in the area. There's absolutely no purchase necessary.

## MOTORBOATERS 'RULES OF THE WATER'

Everyone's safety and fun can be better served when motorboaters know what's expected of their water conduct. Moreover, as the Illinois State Bar Assn. notes, there are numerous state laws governing this conduct. Complete information regarding them can usually be obtained from boating supply dealers.

For starters, however, here are some basic 'rules of the water' for motorboaters:

If your boat is over 12 feet long, it must carry an identifying number issued by the state. The application fee is \$4. The number must be visible on both sides of the boat's prow, in block letters at least three inches high. A certificate is valid for two years; then it must be renewed.

At least one Coastguard-approved life preserver must be available on your boat for each passenger.

Observe the rules about carrying and displaying lights

from sunset to sunrise.

All motorboats are required to have adequate engine muffling to prevent 'excessive or unusual noise.'

A motorboat of 10 horsepower or over can't be operated by anyone under 12 years old unless he is supervised by a competent, experienced person 16 or older. A number of other special regulations apply to over-10 horsepower boats, including having a fire extinguisher aboard, and having a whistle or horn which can be heard for at least half a mile.

## Camping Fees Unchanged

The 1971 schedule of camping fees at Illinois state parks is unchanged from last year, according to Ronald B. Johnson, superintendent of the division of parks and memorials.

The Illinois Department of Conservation maintains camping sites at 53 of its 79 parks and conservation areas, Johnson said. The sites are designated A, B or C class, according to the facilities they offer.

A fee of \$3 per night will be charged at the department's four Class A campgrounds — Illinois Beach State Park, near Zion; Blackhawk State Park, Rock Island; Pere Marquette, near Grafton; Lincoln's New Salem, near Petersburg. Class A sites have flush toilets, showers and sanitary disposal stations.

A daily fee of \$2 will be charged at Class B sites, which are those offering only access for vehicles. Most of the department's camping sites are in this category.

At Class C campgrounds, which have neither the facilities nor the access roads available at the other areas, \$1 per night will be charged.

Most of the sites in all three classes have outdoor toilets, picnic tables, outdoor stoves and drinking water, but none have laundry facilities or housekeeping cabins.

Scout troops and other organized youth groups camping in state parks or conservation areas will be charged 10 cents per person, with a minimum daily fee of \$1.

Tent campers and those with camping units on wheels may use Class A and B sites, but only tent camping is permitted in Class C, or "primitive" areas.

Campers must obtain a permit upon arrival at the park, or on the following morning if arrival is late at night. Permits can be obtained from the park ranger or night watchman.

Bob Dubek of the Dodgers scoring one of the eight runs scored by the Dodgers as they beat the Tigers 8 to 3.

## Game of the week

by DAVE RUSH

### DODGERS VS TIGERS

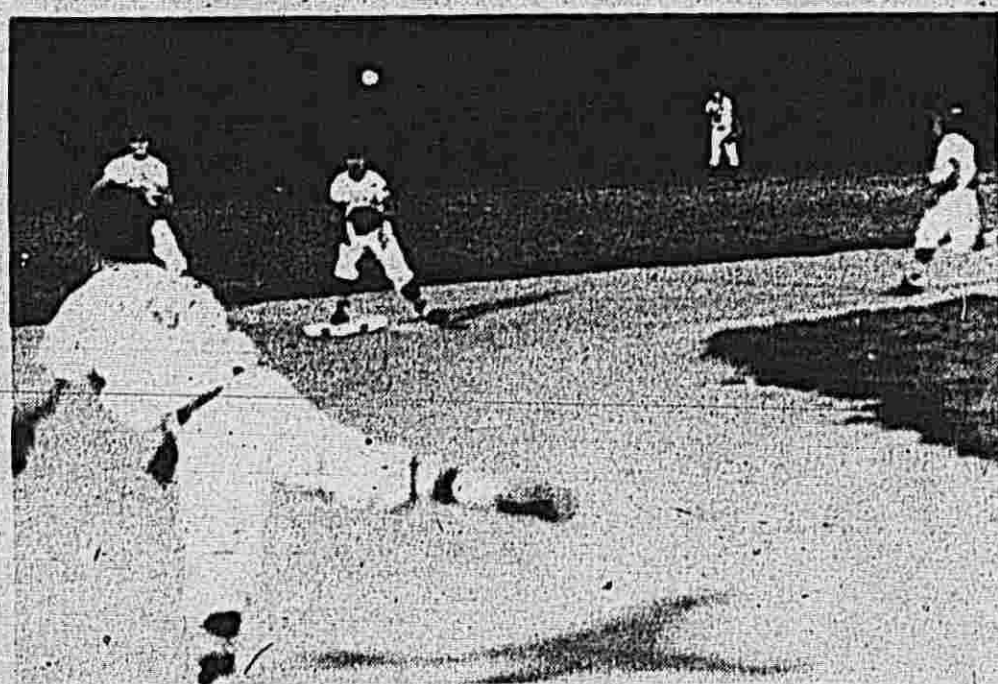

Four up and three down was the story for the Tigers as Schmidt was the only leadoff man to receive a base hit in the first inning. However, the Dodgers half of the first was much different. Murphy started off with a single and walked on to second as Wenka watched four balls sail by. Briedel got the first RBI of the game as he clinched a single and Murphy scored. The batter up now, Perlstron, He cracked a single out into center field and Wenka scored. As Briedel relaxed off second he became the victim of pick off for the Dodgers first out. Bob Dubek went down swinging but his brother, Billy, sent a double to center field and Perlstron scored. Melhorn tried hard but ended the inning swinging.

The second and third innings were easy for the Tiger's pitcher, Tom Gutowski, as no Dodger runners scored. But none of the Tiger runners scored either.

The Tigers smashed into the scoring column in the fourth as Bret Francke, Terry O'Brien and Dave Hehrens all scored tying the score 3-3.

That did it. The Dodgers roared back determined to duplicate their first inning efforts and almost succeed in doubling them as they tagged in five runs.

Now the pitchers are settled down, but that doesn't help the Tigers as they watch the game close with them on the short end of an 8-3 score. Winning pitcher was Perlstron, losing pitcher, Tom Gutowski.

John Pocrnich, 3rd baseman of the Tigers, throws to second for the out on Dodger runner.

### Park of the Week

Stretching leisurely three and a half miles along the sandy shores of Lake Michigan lies Illinois Beach State Park, located between Waukegan and Zion in Lake County. The terrain of the 1651 acre park consists of a series of sand ridges covered with scrubby black oaks, rare Waukegan juniper, along with many rare and unusual trees and plants. These are interspersed with marshes extending north and south parallel to the Lake Michigan shore.

The park became the property of the state in 1948, and the 1,000 foot sandy shoreline offers four bathhouses capable of handling 10,000 swimmers daily. Camping, picnicking, hiking, bicycling, a full time nature center and many other recreational features are located near the park's lodge.

Dick Motley of the Kiwanis Club and chairman of the Peanut Fund hands a \$500 check to Bob Caldwell, president of the Little League Board of Directors.
